The extent proposed to be acquired is 2.56 acres and not 2.53 acres. The extent of 2.53 acres shown in the Draft Declaration submitted is probably due to typhographical error. I am however enclosing herewith in duplicate, a correct copy of the Draft Declaration under Section 6 of the Land Acquisition Act. The Divisional Engineer (H) reports that necessary provision has been made in the budget to meet the cost of acquisition.

Sir,

Sub: LAND ACQUISITION - (South Kanara) Belthangady town and village - S.No. 84/2A - Reconstruction of bridge over Belthangadi river - Draft proposals - Sec. 6 of the L.A.Act. - Report.

Ref: G.O.Ms.No.1091 P.W.D. dt. 8.11.55

...

The draft notification under Section 4(1) of the Land Acquisition Act approved in this case in the G.O. cited was published as notification No. 129 at page 1094 of part I of the Fort St.George Gazette dt. 23.11.55. Thereafter the Revenue Divl.Officer Puttur held enquiry under Section 5A of the L.A.Act after serving and publishing the notices, in the prescribed manner. The 5 A enquiry was held on 9.1.56 and 1.2.56. No objections to the acquisition have been received from the interested parties except a written representation of Srimathi Kinnimma alias Gunavathi who is the registered holder of S.No. 125/2B, 89/2A2 and 81/1B of Belthangady village.

2. The representation of Srimathi Kinnimma alias Gunavathi is to the effect that the road width in S.No. 125/2B may be restricted to 75 feet, that the P.W.D may be asked to provide steps on either side of the abutment of the bridge for the people of the locality to cross the raised road in S.No. 89/2A2 and that the revetment should be provided for all the unauthorised cutting of the fields for draining the river in S.No. 89/1B or an amount of Rs 6000/- may be paid for the damages caused. Her further request is for the payment of Rs 50/- for the removal of the devil's ring in S.No. 89/2A2.

3. The Rev.Divl.Officer Puttur after enquiry reports that the width of the road in S.No. 125/2B

cannot be restricted to 75 feet as desired by Srimathi Kinniamma alias Gunavathi as it is a Highways road and the Divl. Engineer (H) desires to have the full width as applied for by him. As regards here request to provide steps on either side of the abutment of the bridge in S.No. 88/2A2, the Revenue Divl.Officer, Puttur, reports that he has separately addressed the Divl. Engineer in the matter to take necessary steps. It is reported by the Rev.Divl. Officer that no revetment is necessary in S.No. 88/1B as a good portion of the plot under acquisition which adjoins the remaining portion of the petitioner's land has been left unexcavated and that there is therefore no chance of the petitioner's land being eroded even during the rainy season. Besides the river at this site has also been so trained that the force of the current will not affect the land in question. Hence the question of payment of damage of Rs 5000/- does not arise. The Rev.Divl.Officer has provided Rs 25/- for the transfer of the Devil Shrine existing in S.No. 88/2A2.

4. The plots sought to be acquired have been valued at Rs 1200/- per acre on the basis of sale of similar lands in the vicinity. The Revenue Divl. Officer, Puttur, has reported that the value proposed is found to be is reasonable and sufficient. The total cost of acquisition including the cost of improvements etc. works out to Rs 5332.0.6 which has to be paid from the P.W.D. funds.

5. I submit herewith in duplicate a draft declaration under section 6 of the L.A.Act which may be approved and ordered to be published in the Fort St.George Gazette.

pp 5-6 infra

6. The records of enquiry under section 5A of the L.A.Act containing the served copies of the notices, the petition of Srimathi Kinniamma alias Gunavathi and a topo sketch of the plots proposed to be acquired are enclosed for perusal and return with the necessary orders.
